Priya Sharma
Frontend Developer · Bengaluru · priya.sharma@example.com

SUMMARY
Frontend developer with 4 years of experience building fast, accessible web apps with React and TypeScript.

EXPERIENCE
Frontend Developer, ShopLane (2022 to now)
- Built the checkout flow in React and TypeScript used by 20,000 daily shoppers
- Improved page speed by rewriting the product list with virtualised rendering
- Worked with the backend team to design REST APIs for orders and payments
- Wrote unit tests with Jest and React Testing Library

Junior Web Developer, PixelCraft Studio (2020 to 2022)
- Built marketing sites with HTML, CSS and JavaScript
- Wrote SQL reports for the sales team
- Used Git and worked in two-week Agile sprints

SKILLS
React, TypeScript, JavaScript, HTML, CSS, Tailwind, REST APIs, SQL, Git, Jest, Agile
